Sir:

In response to the Office Action dated 6 June 2003,
please amend the subject Application as follows:

RECEIVED

TECHNOLOGY CENTER 2800

REMARKS

In the prior Office Action, the rejection was based upon
alleged Double-Patenting regarding U.S. Patent 6,225,806. That
rejection was argued on the ground that the Applicant's prior
patent did not disclose the present Invention. This is
apparently agreed to such that this ground of rejection has
been withdrawn.
